# INFRALAB

INTERACTIVE WHITEBOARD 88 EM SERIES

Active Education with 88 EM Series; let the students meet the characters of your lessons. Power your classrooms with real-time learning.

EM Induction Technology

Works With Electronic Pen

Support 2 Points Writing

Compatible with Windows 7 and Windows 8

Graceful Appearance & Strong Structure to resist the deformation

Resistant to Lights & Dust from external environment

SPECIFICATION SHEET MODEL IN8855	
Technology	Electromagnetic Induction
Way of Writing	Special Electronic Pen
Way of Communication	Standard USB2.0
Surface Material	High strength, low reflection composite material, high anti-wear, anti-glare, anti-reflection. Users can use the standard detergent to clean it.
Resolution	16384×16384
Precision	≤0.1mm
Max Position deviation	≤1mm
Data Processing	120point/second
Process rate	5m/second
Power	USB cable power supply，power< 1 Watt
Shortcut key	16 shortcut keys on each side of board
Way of Installation	Wall-mounted Bracket
Overall Size(mm）(W×H×D)	1710×1240×20 (83 inch)
Active Area (mm）(W×H)	1660×1192 (80 inch)
Net Weight (kg)	16
Package Size (mm）	1820×1170×90
Gross Weight (kg）	23
Aspect Ratio	4:3
Accessories	Wall-mounted Bracket, 5m USB Cable, Whiteboard Pen
Warranty	2 years
